"Come to the Edge."
"We can't. We are afraid."
"Come to the Edge."
"We can't. We will fall."
"COME TO THE EDGE."

And they came.
And he pushed them.
And they flew.

—Filature Apolinaire

The day will come when, after harnessing space, the winds, the tides and gravitation, we shall harness for God the energies of love. And on that day, for the second time in the history of the world, we shall have discovered fire.

—Pierre Teilhard de Chardin

We either make ourselves miserable, or we make ourselves strong. The amount of work is the same.

—Carlos Castaneda

If I am to know God directly I must become completely God and God I so that

this God and I become one. As pear seeds produce pears and nut seeds produce nut trees, God seeds produce Gods.

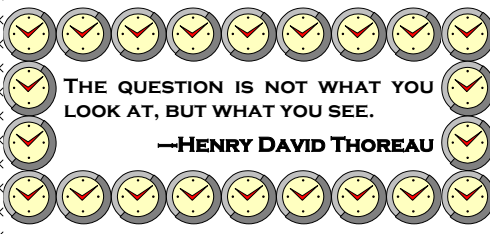

—Meister Eckhart

Not only the thirsty seek the water, the water as well seeks the thirsty.

—Jalaluddin Rumi

—Lilly Tomlin

—HENRY DAVID THOREAU

It is not what you want that you attract. You attract what you believe to be true.

Notes From The Universe Corner

How much longer before you revel in the awareness that you are enough, that you've done enough, and that you're now worthy of your heart's greatest desire? What has to happen for you to give this to yourself?

No biggie. Just wondering. Take your time.

—Mike Dooley
