Notes From The Universe

As many stars as there are in the night sky. As many grains of sand that exist on all the world's beaches. That's how often opportunity really knocks. That's how many second chances you really get. And that's how many voices whisper your name each day.

You have no idea...

The Universe

Question: What do rich folk daydream and visualize about?

Answer: Yeah, whatever they want.

Question: And what do poor folk daydream and visualize about?

Answer: Yeah, whatever they want.

You're coming along so quickly,

The Universe
