Things which matter most must  
never be at the mercy of things  
which matter least.

— Goethe

Be realistic: Plan for a miracle.

Humankind has not woven the  
web of life.  
We are but one thread within it.  
Whatever we do to the web, We  
do to ourselves.  
All things are bound together.  
All things connect.

— Chief Seattle

We are not valuable because we are a  
member of a certain group or because  
we call God by a certain name. We  
are not valuable because we follow a  
guru or observe a certain diet. We are  
valuable because we are a spark of the  
divine. And the only thing Gurus,  
priests, rabbis and elders can do for us  
is point us back in the direction of  
home, and home is, of course, within.

— Darren John Main

What is the purpose, the reason for  
change? To make you uncomfortable enough to do a little growth. To get you out  
of yourself and into your divine nature. To expand your consciousness into your  
True Self, the Christ in you! Let go and release yourself into your next spiritual  
step of purposeful change.

— Renaissance Unity Ministerial Team

Your limitations are not holding you — you're holding them.

— Dr. Roger Teal

The wonder of any land is not in the land but in the mind seeing it. If you have  
wonder in your mind, you will see wonder in your life. ...Leave not  
the wonder of your childhood behind. When the wonder of your childhood has become  
the wonder in your adult life the world has  
gained one more wonder.

— Ron Rathbun

WALK IN PEACE. BE UNDISTURBED  
AND UNPERTURBED: ALL IS IN GOD'S  
PLAN. NEVER DOUBT THIS. BRING GOD  
INTO YOUR LIFE, AND YOU WILL SEE  
MIRACLES.

— WHITE EAGLE

### The Universe Corner

...and it's as if you're still gently  
swinging in that big, tree swing  
you're so fond of. Barefoot toes  
reaching for the sky through  
dappled shade one moment, then  
tucked beneath you the next, as I  
stand ever-ready to give you the  
occasional push, whenever you  
holler out, "higher."

The Universe

— Mike Dooley
