When the solution is simple,
God is answering.

Albert Einstein

Wake at dawn with
a winged heart and
give thanks for another
day of loving.

Kahlil Gibran

In pursuit of knowledge,
every day something is
acquired. In pursuit of
wisdom, every day something
is dropped.

Lao Tzu

We are all seeds
In the garden of God's dreams
Red and yellow, black and white
Shining like a rainbow in God's light
Light that knows no borderlines
There's beauty everywhere it shines
God bless us all, Oh I believe
We are all one spirit, on this spinning ball
God bless us all.

J. D. Martin and Chuck Jones

We constructed our lives around a misunderstanding, and if ever I tried to pull it out and fix it now I would fall down flat. Misunderstanding is my cornerstone. It's everyone's, come to think of it. Illusions mistaken for truth are the pavement under our feet. They are what we call civilization.

Barbara Kingsolver, The Poisonwood Bible

A good character is the best tombstone. Those who loved you, and were helped by you, will remember you when forget-me-nots are withered. Carve your name on hearts, and not on marble.

Charles Spurgeon

Someone once said, "No pain, no gain." And so it became their reality.

Bummer, huh?

Mike Dooley, Notes From The Universe

How many times have we waited for Spirit to move us, when in fact, Spirit is patiently waiting to work for us?
