People say they can't find love
as though it were something to
be gotten. Once one becomes
willing to give love, the discov-
ery quickly follows that one is
surrounded by love and merely
didn't know how to access it.
Love is actually present every-
where and its presence only
needs to be realized.

—— **David R. Hawkins**

been before....It just might have been that one thing that you had been wishing for."

—— **Les Brown**

There is a force within that gives you life - Seek that. In your body there lies a priceless jewel - Seek that. Oh, wandering Sufi, if you are in search of the greatest treasure, don't look outside, Look within, and seek That.

—— **Jalaluddin Rumi**

It's possible to mend our world only by
finding the courage to mend ourselves.

—— **Dr. Sonya Friedman**

WHAT YOUR HEART THINKS GREAT, IS
GREAT. THE SOUL'S EMPHASIS IS AL-
WAYS RIGHT.

—— **RALPH WALDO EMERSON**

Everything has its wonders, even
darkness and silence, and I learn,
whatever state I may be in, therein to
be content.

—— **Helen Keller**

I am a pencil in the hand of God who
is writing a love letter to the world.

—— **Mother Theresa**

When was the last time you embraced
a situation that you didn't like? Did
you complain through the entire ex-
perience or did you run away from the
situation altogether? If you did either,
you missed a wonderful opportunity
to be something that you've never

been before....It just might have been that one thing that you had been wishing for."

—— **Les Brown**

The Universe Corner

**It's always been my intention
that one day you'd inherit the
earth, have dominion over all
things, and thoroughly 'kick
butt'.**

How does today sound?

Think of it,

The Universe
