If love is truly a verb, if forgiveness is a verb, if kindness is a verb, then you can do something about it

Notes from the Universe

When just starting out on a new journey, it's only natural to feel vulnerable. After all, it may seem that you have much to lose. But may I remind you that never again, at any other point in the same journey, will you have so much to gain?
I'll take that as a "yes."
Tallyho,
The Universe
