You are a child of the Universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the Universe is unfolding as it should.

— **Max Ehrmann**

You are here to enable the divine purpose of the universe to unfold. That is how important you are!

— **Eckhart Tolle**

The only things between you and the life of your dreams are the thoughts you think between now and then.

— **Mike Dooley, Infinite Possibilities**

As you discharge negative energy consciously and set your intentions according to what your heart tells you. You move toward becoming a being of the Light, fully whole and empowered and inwardly secure, and you draw to your self the Universe's greatest gift: human beings with open hearts.

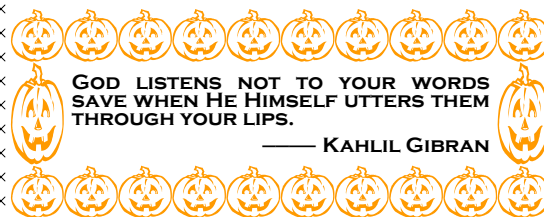

— **Gary Zukav**

Sometimes our light goes out, but is blown again into instant flame by an encounter with another human being. Each of us owes the deepest thanks to those who have rekindled this inner light.

— **Albert Schweitzer**

Wear a smile and have friends; wear a scowl and have wrinkles.

— **George Eliot**

GOD LISTENS NOT TO YOUR WORDS SAVE WHEN HE HIMSELF UTTERS THEM THROUGH YOUR LIPS.

— **KAHLIL GIBRAN**
